OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

The Calcutta Gazette.

Published by Authority.

WEDNESDAY, JANUARY 27, 1841.

FORT WILLIAM, LEGISLATIVE DEPARTMENT,

THE 18TH JANUARY, 1841.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, is published for general information.

Read a second time, the Draft of a proposed Act, dated the 14th October 1839, and published in the Calcutta Gazette of the 16th of the same month, for amending the Bengal Code in regard to Sales of Land for Arrears of Revenue.

Resolution—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject be republished for general information :—

ACT No. — of 1841.

An Act for amending the Bengal Code in regard to Sales of Land for Arrears of Revenue.

Preamble.

I. Whereas it is deemed expedient with a view to the benefit of the Agricultural Community, to regulate the number of periodical sales of Estates for arrears of Revenue; to discontinue the levy of interest and penalty upon such arrears; to provide for the absolute sale (under restrictions and exceptions in certain cases) of any Mehul, the whole of the Land Revenue due from which may not have been discharged on or by appointed days; and otherwise to amend the laws for the realization of the Land Revenue;—

Regulations rescinded.

It is hereby enacted, that Sec. 2, Reg. XIV. 1793; Sec. 2, Reg. III. 1794, Reg. XI. 1822, except Sections 36 and 38, and Reg. VII. 1830 are rescinded, except in so far as they rescind other Regulations or parts of Regulations.

Interest and Penalty abolished.

II. And it is hereby enacted, that there shall be no demand of interest or penalty upon any arrear of Land Revenue which shall be due after the date specified in Section XXXIII. of this Act.

Days fixed for Sale.

III. And it is hereby enacted, that upon the promulgation of this Act the Sudder Board of Revenue at Calcutta, shall determine with regard to each permanently settled District or Zillah under their jurisdiction, the fixed days in each year not being more than three, on which and on no other days sales shall be held for realization of arrears of Land Revenue. And the said Board shall give notice of the dates so fixed in the Calcutta Gazette; and shall direct corresponding publication to be made, as far as regards each District, in the language of that District, in the Office of the Collector, or Deputy Collector, or other Officer duly authorized to hold sales under this Act, and in the Courts of the Judge, Magistrate, Principal Sudder Ameens, Sudder Ameens, and Sudder Moonsiffs; and the days so fixed shall not be changed unless the same be changed by the said Board by advertisements and notifications in the manner above described; such advertisements and notifications to be issued, on every occasion after the first above provided for, before the close of the

official year preceding that in which the new date or dates are to take effect.

Exception in unsettled Provinces and Benares.

IV. And it is hereby enacted, that in Districts not permanently settled, and in the Province of Benares, no sale shall take place for arrears of Land Revenue or other demand of Government without the special sanction of the Sudder Board of Revenue previously obtained in each several case of sale.

Definition of an Arrear.

V. And it is hereby enacted, that if the whole or a portion of a kist or instalment of any month of the Bengallee, Fussullee or Ummullee year be unpaid on the first of the following month, the sum so remaining unpaid shall be considered an arrear of Revenue: that is to say, the kist of Bysakh shall be an arrear on the 1st Jeth; and the kist of Jeth on the 1st Asarh, and so on.

All Estates in arrear to be sold.

VI. And it is hereby enacted, that except as hereinafter excepted, all Estates from which at noon of the day preceding that fixed for a sale an arrear of Revenue may be due, shall on the said fixed day, or on the day or days following as hereinafter provided, be put up to public auction by and in the presence of the Collector or Officer exercising the powers of Collector in that behalf, and shall be sold to the highest bidder; and no payment or tender of payment made subsequent to the hour of noon of the day preceding that fixed for a sale shall bar or interfere with the sale either at or after the conclusion of that transaction.

Claims to abatement and set off.

VII. And it is hereby enacted, that no claim to abatement or remission of Revenue unless the same shall have been allowed by the authority of Government, nor any private demand or cause of action whatever held or supposed to be held by any defaulter against Government shall bar a sale, nor render a sale under this Act voidable; nor shall the plea that money belonging to the defaulter, and sufficient to pay the balance or part of it, was in the Collector's hands, bar a sale nor render a sale under this Act voidable, unless the money have been transferred in account to credit of the Estate, or unless after due application made to him, the Collector shall have, on insufficient grounds, refused so to transfer it.

Exceptions.

VIII. Provided always, and it is hereby enacted, that no estate shall be sold for the recovery of arrears or demands of the description mentioned below, otherwise than after a notification in the language of the District, specifying the nature and amount of the arrear or demand, shall have been affixed, for a period not less than twenty days preceding the day of sale, in the Office of the Collector, Deputy Collector, or other Officer as aforesaid, by whom the sale is intended to be made, in the Court of the Judge within whose jurisdiction the land advertised lies, in the Courts of all the Principal Sudder Ameens, Sudder Ameens and Sudder Moonsiffs of the District, and at the Police Thannah of the Division in which the estate to which the notice relates, or part of it is situated, the same to be certified by the receipt of the Officer at whose Office

such publication may have been made; and also at the Cutcherry of the Malgoozar of the estate, or at some conspicuous place upon the estate, the same to be certified by the peon or other person employed for the purpose. And it shall be declared in the said notification that no payment or tender of payment of the arrear or demand due, which may be made after the hour of noon of the day preceding the fixed day of sale, will bar or interfere with the sale either at or after the transaction.

First — Arrears due from or to be recovered by the sale of estates not permanently settled.

Secondly — Arrears other than those of the current or the preceding year.

Thirdly — Arrears of Revenue due on account of estates other than that to be sold.

Fourthly — Arrears to be recovered by re-sales consequent upon default of purchasers as provided in Section XV. of this Act.

Fifthly — Arrears due on account of Tuccavy, Poolbun-dee, or other demands not being Land Revenue, but recoverable by the same process as arrears of Land Revenue.

Payments by non-proprietors. IX. And it is hereby enacted, that Collectors shall, at any time before the hour of noon of the day preceding the fixed day of sale receive as a deposit from any party not being a proprietor of the estate in arrear, the amount of the arrear of Revenue due from it, to be carried to the credit of the said estate at noon as aforesaid, unless before that time the arrear shall have been liquidated by a proprietor of the estate. And in case the party so depositing, whose money shall have been credited to the estate in the manner aforesaid, shall be a plaintiff in a suit pending before a Court of Justice for the possession of the same or any part thereof, it shall be competent to the Judge of the Zillah in which such estate is situated, to order the said party to be put into temporary possession of the said estate, subject to the rules in force for taking security in the cases of appellants and defendants. And if the party depositing whose money shall have been credited as aforesaid shall prove before a competent Civil Court that the deposit was made in order to protect an interest of the said party, which would have been endangered, or damaged by the sale of the estate, he shall be entitled to recover the amount of the deposit with interest, from the proprietors of the said estate.

X. And it is hereby enacted, that no estate shall be liable to sale for the recovery of arrears which have accrued during the period of its being under the management of the Court of Wards, and no estate,

Ward's Estates and Minor's. the sole property of a minor or minors, and descended to him or them by the regular course of inheritance duly notified to the Collector for the information of the Court of Wards, but of which the Court of Wards has not assumed the management under Regulation VI. 1822, shall be sold for arrears of Revenue accruing subsequently to his or their succession to the same, until the minor or minors, or one of them, shall have attained the full age of 18 years. And no estate held under attachment by the Revenue Authorities, otherwise than by order of a Judicial Authority, shall be liable to sale for arrears accruing whilst it was so held under attachment. And no estate held

Attached by a Revenue Officer. under attachment by a Revenue Officer, in pursuance of an order of a Judicial Authority, shall be liable to sale for the recovery of arrears of Revenue accruing during the period of such attachment, until after the end of the year in which such arrears accrued.

Attached by a Court. by order of a Judicial Authority, shall be liable to sale for the recovery of arrears of Revenue accruing during the period of such attachment, until after the end of the year in which such arrears accrued.

Exemption from sale. XI. And it is hereby enacted, that it shall be competent to the Collector at any time before the sale shall have taken place to exempt any estate from sale; and in like manner it shall be competent to the Commissioner of Revenue at any time before the sale shall have taken place, to exempt any estate from sale, and to direct the receipt of arrears due upon it by a special order to the Collector to that effect in each case; and no sale of an estate shall be legal if held after the receipt of an order of exemption in respect to such estate. Provided, however, and it is hereby enacted, that an order for exemption

Proviso. so issued, shall not affect the legality of a sale which may have taken place before the receipt by the Collector of the order for exempting it from sale.

Adjournment.

XII. And it is hereby enacted, that in case the Collector, Deputy Collector, or other Officer as aforesaid, shall be unable from sickness, from the occurrence of a holiday, or from any other cause to commence the sale on the day of sale fixed as aforesaid, or if, having commenced it, he be unable, from the like cause, to proceed with it, he shall be competent to adjourn it to the next day following, not being Sunday or other close holiday, recording his reasons for such adjournment, forwarding a copy of such record to the Commissioner of Revenue, and announcing the adjournment by a written proclamation stuck up in his Cutcherry; and so on, from day to day, until he shall be able to commence upon, or to proceed with, the sale, but with the exception of adjournments so made, recorded, and reported, each sale shall invariably be made on the day of sale fixed in the manner aforesaid.

Order of sale.

XIII. And it is hereby enacted, that on the day of sale fixed according to Section III. of this Act, sales shall proceed in regular order; the estate to be sold bearing the lowest number on the Towjee or rent roll of the District being put up first, and so on, in regular sequence; and it shall not be lawful for the Collector or other Officer as aforesaid to put up any estate out of its regular order by number.

Deposit on purchase.

XIV. And it is hereby enacted, that the party who shall be declared the purchaser of an estate at any such public sale as aforesaid, shall be required to deposit immediately, either in Cash, Bank of Bengal Notes or Post Bills, or Government Securities duly indorsed, 25 per cent, on the amount of his bid, and in default of such deposit, the estate shall, forthwith, be put up again and sold.

Balance of purchase money.

XV. And it is hereby enacted, that the full amount of purchase money shall be made good by the purchaser before noon of the thirtieth day from that on which the sale of the estate bought by him took place, reckoning that day as one of the thirty; or if the thirtieth day be a Sunday or other close holiday, then on the first office day after the thirtieth; and in default of payment within the prescribed period as aforesaid, then and afterwards as often as such default shall occur, the deposit shall be forfeited and credited to the estate in payment of so much of the balance due from it at the time of sale; and if thereafter any part of the balance for which the sale was made remain due, the estate shall be resold, and the defaulting purchaser shall forfeit all claim to the estate, or to any part of the sum for which it may subsequently be sold, and in the event of the proceeds of the sale which may be eventually consummated being less than the price bid by the defaulting bidder aforesaid, the difference shall be leviable from him by any process authorized for realizing an arrear of public Revenue, and it shall be so levied and credited to the defaulting proprietor of the estate sold.

Rents stopped after notice for sale.

XVI. And it is hereby enacted, that whenever an estate shall have been sold as aforesaid, the Collector, Deputy Collector, or other Officer as aforesaid, shall affix a proclamation in the language of the District in his Cutcherry; and as soon thereafter as may be in the Cutcheries of the Moonsiffs and of the Darogahs of Police, within whose jurisdiction or jurisdictions any part of such estate may be situated; and also at the Cutcherry of the Malgoozar of such estate; or on some conspicuous place on such estate, forbidding the ryots and under-tenants of such estate to pay rent falling due subsequent to the date therein specified and up to the date of the subsequent notice hereinafter prescribed by Section XX. of this Act, on pain of not being entitled to credit in their accounts with the purchaser for any sums paid within the period aforesaid.

Appeal.

XVII. And it is hereby enacted, that it shall be lawful for the Commissioner of Revenue to receive an appeal against any sale made under this Act if preferred to him on or before the fifteenth day from the date of sale, reckoning as in Section XV., or if preferred to the Collector for transmission to the Commissioner on or before the tenth day from the day of sale, and not otherwise; and the Commissioner shall be competent in every case of appeal so preferred, to annul any sale of an estate made under this Act, which shall appear to him not to have been conducted according to the provisions of this Act; and the order of the Commissioner annulling a sale or dismissing an appeal shall be final unless set aside by a competent Court of Justice in a regular suit brought for that purpose.

XVIII. And it is hereby enacted, that it shall be competent to the *Government may restore Estate.* Commissioner of Revenue on the ground of hardship or injustice to suspend the passing of final orders in any case of appeal from a sale and to represent the case to the Suder Board of Revenue, who, if they see cause, may recommend to the Local Government to annul the sale; and the Local Government in such case, but in no other, may annul the sale and cause the estate to be restored to the proprietor on such conditions as may appear equitable and proper.

XIX. And it is hereby enacted, *Sale when to be final.* that all sales of which the purchase money has been paid up as prescribed in Section XV. of this Act, and against which no appeal shall have been preferred, shall be final and conclusive at noon of the thirtieth day from the day of sale, reckoning the said day of sale, as the first of the said thirty days. And sales against which an appeal may have been preferred, and the appeal dismissed by the Commissioner, shall be final and conclusive from the date of such dismissal, if more than thirty days from the day of sale, or if less, then at noon of the thirtieth day as above provided.

XX. And it is hereby enacted, *Certificate of Title.* that immediately upon a sale becoming final and conclusive, the Collector or other Officer as aforesaid, shall give to the purchaser a Certificate of title in the following form:

I certify that A. B. has purchased at Public Auction under Act — of ——— Mohal C, and that his purchase has taken effect on and since the ——— day of ——— (being the date of sale.)

(Signed) D. E., Collector.

And the said certificate shall be deemed in any Court of Justice sufficient evidence of the title to the estate sold being vested in the person or persons named from the date specified: and the Collector shall also notify such transfer by written proclamation in his own Cutcherry, and in those of the Moonsiff and Darogah of the jurisdictions within which any part of the estate sold shall be situated, and shall apply the purchase money first to the liquidation of all arrears due upon the day of sale, or upon the day of the original sale, if the sale finally consummated be a resale, and secondly, to the liquidation of all outstanding demands debited to the Mohal in the Public accounts of the district, holding the residue, if any, in deposit on account of the late recorded proprietor or proprietors of the estate sold, to be paid to their receipt on demand in the manner following; to wit, in shares proportioned to their recorded interest in the estate sold, if such distinction of shares were recorded, or if not, then as an aggregate sum to the whole body of proprietors upon their joint receipt.

XXI. And it is hereby enacted, *Demisee purchase.* that any suit brought to oust the certified purchaser as aforesaid, in the ground that the purchase was made on behalf of another person, not the certified purchaser, though by agreement the name of the certified purchaser was used, shall be dismissed with costs.

XXII. And it is hereby enacted, *Notice of annulment.* that the annulment of a sale by a Commissioner shall be publicly notified by the Collector or other Officer as aforesaid in the same manner as the becoming final and conclusive of sales is required to be notified by Section XX. of this Act, and the amount of deposit and balance of purchase money shall be forthwith returned to the purchaser, with interest thereon, at the rate of the current public securities, from the dates on which they were respectively paid, to the date on which the refund is actually made.

XXIII. And it is hereby enacted, *Purchase liable for Arrears of Revenue.* that the party certified as the proprietor of an estate by purchase at public sale for the recovery of arrears of Revenue shall be answerable for all instalments of the Revenue of Government which may fall due subsequently to the day of sale: provided, however, that in the case of re-sales the purchaser shall be answerable for all instalments of Revenue which fell due subsequently to the date fixed for the first sale.

XXIV. And it is hereby enacted, *Grounds and conditions of reversal by Civil Court.* that no sale for arrears of Revenue or other demands realizable in the same manner, made after the promulgation of this Act, shall be set aside by a Court of Justice except upon the ground of having been made contrary to the provisions of this Act: and except the contravention thereto shall have been de-

clared and specified in an appeal made to the Commissioner, under Section XVII of this Act: And no person shall be entitled to contest the legality of a sale after having received any portion of the purchase money: Provided, however, and it is hereby enacted, that nothing in this Act contained shall be construed to debar any person considering himself wronged by any act or circumstance connected with a sale under this Act, from his remedy in a personal action for damages against the individual by whose act or omission he considers himself to have been wronged.

XXV. And it is hereby enacted, *Refund on Reversal of Sale.* that in the event of a sale being reversed by a final decree of a Court of Justice, the purchase money shall be refunded to the purchaser by Government, together with interest at the rate of the current public securities.

XXVI. And it is hereby enacted, *Enhancement of rents in Bengal.* that the purchaser of an estate sold under this Act, for the recovery of arrears due on account of the same, in the permanently settled districts of Bengal, Behar, Orissa and Benares, shall acquire the estate free from all encumbrances which may have been imposed upon it after the time of settlement, and shall be entitled after notice given under Section X. Regulation V. 1812, to enhance at discretion, (any thing in the existing Regulations to the contrary notwithstanding) the rents of all under-tenures in the said estate, and to eject all tenants thereof, with the following exceptions:

First. Tenures which were held as Istemraroe or Mo-
curree at a fixed rent, more than 12 years before the per-
manent Settlement.

Secondly. Tenures existing at the time of the Decennial
Settlement, which have not been, or may not be, proved
to be liable to increase of assessment, on the grounds
stated in Section 2, Regulation VIII. of 1793.

Thirdly. Lands held by Khoud Kasht or Kudeemee
Ryots having rights of occupancy under the Regulations
in force.

Fourthly. Lands held under bonâ fide leases, at fair
rents, temporary or perpetual, for the erection of dwelling
houses, or manufactories, and being so used, or for gardens,
tanks, canals, clearing of jungle, or like purposes.

Fifthly. Farms granted in good faith at fair rents by a
former proprietor, for terms not exceeding twenty years,
under written and duly registered leases.

XXVII. And it is hereby enacted, *Under-tenures elsewhere.* that the purchaser of an estate sold under this Act for the recovery of arrears due on account of the same in Districts other than those mentioned in Section XXVI. shall acquire the estate free from all encumbrances which may have been imposed upon it after the time of settlement, and shall be competent to avoid and annul all tenures which may have originated with the defaulter or his predecessors, being representatives or assignees of the original engager, as well as all agreements with ryots or the like settled or credited by the first engager or his representatives, subsequently to the last Settlement, as well as all tenures which the first engager may, under the conditions of his settlement, have been competent to set aside, alter, or renew, saving always and except bonâ fide leases of ground for the erection of dwelling houses, or buildings, or for offices thereunto belonging, or for gardens, tanks, canals, water courses, or the like purposes, which leases or engagements shall, so long as the land is duly appropriated to such purposes, and the stipulated rent paid, continue in force and effect. Provided that nothing in this Act contained shall be construed to entitle any purchaser of land at a public sale to demand a higher rate of rent from any persons whose tenure or agreement may be annulled as aforesaid than was demandable by the former Malgoozar, except in cases in which such persons may have held their lands under engagements, stipulating for a lower rate of rent than would have been justly demandable for the land, in consequence of abatements having been granted by the former Malgoozars from the old established rates by special favour, or for a consideration, or the like, or in cases in which it may be proved that according to the custom of the Pergunnah, Mouzah, or other local division such persons are liable to be called upon for any new assessment, or other demand not interdicted by the Regulations of Government.

XXVIII. And it is hereby enacted, *Purchase by a defaulter, &c.* that excepting copartners of estates under Butwarrah who may have saved their shares from sale under Sections 33 and 34, Regulation XIX. 1814, any recorded or unrecorded proprietor or copartner who may

purchase in his own name or in the name of another the estate of which he is proprietor or copartner; or who by re-purchase or otherwise, may recover possession of the said estate after it has been sold for arrears under this Act; and likewise any purchaser of an estate sold for other arrears or demands than those accruing upon itself, shall by such purchase acquire the estate subject to all its encumbrances existing at the time of sale and shall not acquire any rights in respect to Ryots and under-tenants which were not possessed by the previous proprietor at the time of the sale of the said estate.

Arrears of rent. XXIX. And it is hereby enacted, that arrears of rent which at the date of sale may be due to the defaulter from his tenants, shall be recoverable by him after a sale by any process which might have been used by him for that purpose before the sale was made.

Contempt. XXX. And it is hereby enacted, that any Collector or Officer exercising the powers of Collector, shall be competent to punish any contempt committed in his presence in open Cutcherry or Office for the time being, by fine, to an extent not exceeding Co.'s Rs. 200, commutable, if not paid to imprisonment in the civil jail for a period not exceeding one month; and the Magistrate to whom such an offender may be sent by a Collector as aforesaid, shall carry his sentence into effect. Provided that an appeal from any order passed under this Section shall lie to the Revenue Commissioner, whose decision shall be final.

Default.

XXXI. And it is hereby enacted, that a default to make good a bid by making the deposit required by Section XIV. of this Act shall be held to be a contempt.

Operation of Act.

XXXII. And it is hereby enacted, that the operation of this Act shall be confined to the Provinces of Bengal, Behar, Orissa and Benares, and to the Ceded and Conquered Provinces under the Government of the Presidencies of Fort William in Bengal, and nothing in this Act contained shall affect land in the Town of Calcutta or the Settlements of Singapore, Penang or Malacca.

Date of Effect.

XXXIII. And it is hereby enacted, that this Act shall have effect on and after the first day of the next ensuing Fussy and Ummullee year respectively in those provinces in which the Fussy and Ummullee eras are severally current; and on and after the first day of the Bengalee year 1249 in the districts in which the Bengalee era is current.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 18th day of April next.

FORT WILLIAM, 17th February, 1841.

No. 45 of 1841.—It having come to the knowledge
of Government, that much misapprehension prevails
on the subject of the General Orders, which relate to
the issue of Money Rations to the Public Establish-
ments and Camp Followers with the Army of the India,
the Right Hon'ble the Governor General of India in
Council is pleased to resolve, that the following scale
for the issue of Money Rations, which was sanctioned by
Government for the Troops in Ava on the 23d Decem-
ber 1825, shall be allowed to all Public Establishments,
whether attached to Corps or Departments, permanent
or temporary, mustered or unmustered, wherever

It is hereby enacted, that the assessments which by the Statute 33, Geo. 3, Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz. lighting, and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessments and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves, the Justices at their Quarter Sessions shall publish quarterly the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within the following divisions of the Town, or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under their jurisdiction, viz. (the divisions to be specified.)

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate payers of any of such respective divisions shall apply to the Governor in Council of Fort St. George in Madras, to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort St. George in Madras to authorize the same accordingly, at his discretion; provided always that such majority of rate payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor in Council of Fort St. George in Madras upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor in Council of Fort St. George in Madras, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And that all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any *zenana*, the Officer charged with the execution of the warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 15th day of May next.

LEGISLATIVE DEPARTMENT,

THE 15th FEBRUARY, 1841.

The following Draft of a proposed Act was read in Council for the first time on the 15th February, 1841: ACT No.— of 1841.

For amending the Law with respect to rates for Municipal purposes within the Town of Madras.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying five per cent. on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per centage leviable by quarterly rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 33, Geo. 3, Cap. 52, in regard to assessments for the Town of Madras in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;

by the rate-payers themselves, the Justices at their Quarter-Sessions shall publish quarterly the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within the following divisions of the Town, or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under their jurisdiction, viz. (the divisions to be specified.)

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate payers of any of such respective divisions shall apply to the Governor in Council of Fort St. George in Madras, to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort St. George in Madras to authorise the same accordingly, at his discretion; provided always that such majority of rate payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor in Council of Fort St. George in Madras upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor in Council of Fort St. George in Madras, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chatties of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And that all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any zenana, the Officer charged with the execution of the warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court.

The following Draft of a proposed Act was read in Council for the first time on the 15th February, 1841:

ACT No. — OF 1841.

For amending the Law with respect to rates for Municipal purposes within the Town of Madras.

1. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying five per cent. on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per centage leviable by quarterly rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 33, Geo. 3, Cap. 52, in regard to assessments for the Town of Madras in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;

It is hereby enacted, that the assessments which by the Statute 33, Geo. 3, Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz lighting, and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessments and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken

BENGAL CIVIL FUND.

ARTICLE IV.

Clause 2.—The sum by which the annual income of the Fund is less than its annual expenditure shall be ascertained and declared by the Managers as on the 1st of January 1838, and the deficit so declared shall be made up by assessing all Subscribers to the Fund rateably according to their allowances. The rate per centum on allowances of extraordinary contribution so to be assessed shall be declared by the Managers at the same time that the deficit is declared, and shall remain unaltered for three years from the said date.

Clause 3.—At the end of every three years from the 1st of January 1838, the Managers shall, in like manner, ascertain and declare the deficit as it may exist at each triennial period, and shall, in like manner, ascertain and declare the rate of extraordinary assessment to be paid in the same manner during the next three years by all Subscribers, for the purpose of meeting that deficit.

Clause 4.—(or part 3 of Rule 4 as in Pamphlet). The funds shall be considered to be deficient, when the annual Subscriptions, added to the donation of the Court, and the interest of the accumulated Capital shall not yield sufficient to provide for the annual charges, and a surplus of not less than twenty-five thousand Rupees.

—and whereas the Managers did in 1838, according to the said Rules declare the requisite cess for the extraordinary subscription then found necessary, viz. $\frac{1}{2}$ per cent., which was levied accordingly from 1st January 1838 to 31st December 1840:—And whereas by the triennial adjustment made as required on the 1st January, ultimo, it appears that the annual income of the Fund will not be sufficient to provide for the annual charges, and the surplus of Rs. 25,000—the former being calculated as Rs. 2,46,016, and the latter at Rs. 2,76,400—whereby it is shown, including the surplus, a deficiency of Rs. 55,384, to meet which sum a cess on the allowances of Subscribers is requisite of about 3-4th or 12 annas per cent., which it is rendered imperative on the Managers under the existing Rules of the Fund to declare and cause to be assessed:—

The Managers accordingly hereby give notice, that the extraordinary Subscriptions to be assessed on the allowances of all Subscribers for the next three years from the 1st of January 1841, is at the rate of 3-4th or 12 annas per cent. on the monthly allowances of every Subscriber.

By order of the Managers,

H. V. BAYLEY, *Hon. Secy.*

C. F. Office, the 8th Feby, 1841.

BENGAL CIVIL FUND.

* Resolved, that instead of the Managers' proposal to levy 3th or 12 Annas per Cent on the Allowances of all Subscribers, from the 1st of January, instant, to meet the estimated Annual Deficit, and provide also for the Yearly Surplus of Rs. 25,000, the Cess levied from the 1st of January 1838, viz. $\frac{1}{2}$ or 8 Annas per Cent, be continued in force as Extraordinary Subscription for the next 3 years: and that the Managers be instructed immediately to convene a Special General Meeting, to be held on as early a date as the Rules will admit for the purpose of considering the propriety of abrogating that part of Article 4, Part 3, (as it stands in page 16 in the Committee's Pamphlet of 1837,) which provides for the Annual Surplus of Rs. 25,000.

* The Clause in question, although duly passed and adopted by the Subscribers, appears in the Pamphlet of 1837 as under, [It will be embodied in a future re-print of the Rules.]

"Proposed New Rule IV Part III.

"The funds shall be considered to be deficient when the Annual Subscription, added to the Donation of the Court and the interest of the accumulated Capital shall not yield sufficient to provide for the annual charges, and a surplus of not less than twenty five thousand Rupees."

The above was declared by the Meeting of 25th November, 1837, to be carried in this form, viz. "First, that a Surplus be annually provided.

2d. That the Surplus be Rs. 25,000."

The words underlined in the part proposed to be abrogated.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. 3. The noble example set them by their European Officers, whom they barely allowed to charge unsupported, and of whom Captains Fraser and Pensonby were severely wounded, and Lieutenant and Adjutant Crispin killed on the spot, renders their dastardly conduct the more inexcusable; and the disgrace with which they have covered their Regiment and themselves at the close of Military operations, during which the most conspicuous bravery had been displayed by their brethren in Arms, imposes on Government the necessity of removing them from the gallant Army to which they are a reproach, and in which their continuance would doubtless be a source of regret and dissatisfaction.

4. His Lordship in Council accordingly directs that the 2d Regiment of Light Cavalry be struck out of the List of the Bengal Army, — that the whole of the Native Commissioned and Non-Commissioned Officers and Troopers who were present on the 2d of November with the two Squadrons under the Command of Captain Fraser, whether borne on the strength of those Squadrons, or doing duty with them, be dismissed the Service; and that the remaining Native Commissioned and Non-Commissioned Officers and Troopers of the Corps be drafted into the other Cavalry Regiments in such proportions as His Excellency the Commander in Chief may be pleased to direct.

FORT WILLIAM, 10th February, 1841.

No. 88 of 1841.—With feelings of deep regret the Right Honorable the Governor General of India in Council announces to the Army, the shameful "misbehaviour before the Enemy" of two Squadrons of the 2d Regiment Bengal Light Cavalry, and the ignominious punishment with which after the fullest consideration, His Lordship in Council feels himself imperatively called upon to visit their disgraceful misconduct.

3. From the Proceedings of Courts of Inquiry, which have been laid before Government by His Excellency the Commander in Chief, it appears, that on the 2d of November last, at Parwan Durrah, in the Kohistan of Kabul, the Squadrons in question, comprising two-thirds of the whole Regiment, while confronting a body of Afghan Horse were ordered to charge, but could not be induced to follow their European Officers; and further, that when their manifest cowardice emboldened the Enemy to become the assailants, so far from even defending themselves, they turned their horses and fled in panic and inextricable confusion, and only staid their flight when they had gained the rear of the column from which they had been detached in pursuit.

No. 430, dated Candahar, 8th January, 1841.

Sir,

My letter of the 23d ultimo* will have informed you of my having sent a De-

* No. 260. tachment under Captain Farrington, into the District of Zamin Dawur, for the purpose of dispersing a body of Rebels under a Chief named Auktur Khan.

I have now the honor to forward a Despatch under date the 4th instant, from Captain Farrington, by which it appears that he came up with Auktur Khan on the 3d instant, and completely defeated him.

I trust that the excellent conduct of the troops, under much fatigue and privation, will meet with the approbation of Major General Sir Willoughby Cotton, G. C. B., and K. C. H., Commanding the Troops in Afghanistan.

I have, &c.

To CAPTAIN POLWHEEL,

Major of Brigade, Candahar.

Sir.—I have the honor to report as follows for the information of Major General Nott, Commanding.

You are already aware that the Detachment under my command reached Kooah-kina-Kood on the 28th ultimo, where we halted on the following day to enable Lt. Elliot to complete his arrangements. On the morning of the 30th, we moved on Sungboor, 16 miles in the direction of Saerwan Killah, where the force under Mahomed Allum Khan had been completely worsted the evening before by the Rebels. His guns taken from him, &c. &c. This unfortunate defeat had been the means of enabling the Rebel Chief to gain many adherents, and his force from all accounts was beginning to assume a formidable appearance. It was therefore deemed advisable to make our movements as rapidly and secretly as possible. For this purpose the Detachment moved on Girish on the morning of the 31st, distant 25 miles, crossing the River Hellmond. The Rebels imagining we were moving on their position at Saerwan Killah had arranged to make a Chupawah on the Girish Fort, and had crossed the River for that purpose.

On the 1st January we continued our march to Karcogha, 22 miles, and by so doing the Rebels uncertain of our actual position were in a manner outwitted; for at one time they thought there was another force in their rear. On the 2d, a halt was indispensable to refresh men and cattle, but the information received having led us to suppose that the enemy

were in our vicinity, a reconnoitering party, consisting of Guddo Khan's Horse and some of the 1st Cavalry, with Lieutenants Patterson and Hawkins, H. A., proceeded in the direction of Lundie Nowah. This party proved to be of the most essential service, for it was ascertained by them that the enemy had actually taken up a position near the village of that name.

Accordingly, on the morning of the 3d, the force moved soon after sun-rise, and about 10 A. M. reached the heights in front of the village of Lundie Kowah, where the Rebels had taken up a strong position amongst Sand Hills with a Canal along their rear: Guddo Khan's Ressallah with Lieutenant Patterson, having succeeded in driving in their advance posts, gave time for the guns under Lieut. Hawkins, supported by the 2d Regt. N. I., to get into position. A well directed fire of shrapnell and grape having been opened on the Rebels, amounting to 12 or 1500 Horse and Foot, were prevented crossing the crest of the heights behind which they were ensconced. The Infantry followed up the advantage thus gained by the Artillery and, under a heavy fire of Matchlocks, drove the enemy completely from their position. The Rebels had been drawn up in four divisions, two of which attempted to turn our left but unsuccessfully, the Cavalry having charged and defeated their object in that quarter. By this time the flight was pretty general and the party of the 1st Cavalry with the Guddo Khan's Ressallah pursued and completed the route. One Standard was taken. The killed and wounded on our side are as annexed. That on the enemy amounted to sixty left dead on the field, amongst which a Chief, Fugbolah Alizza. The wounded were proportionally great, but as the enemy carried them all away their numbers cannot be estimated correctly. Having refreshed my men at Lundie Nowah by half an hour's halt, the Detachment continued its march on Shornek, the stronghold of the Rebel Chieftain, where the guns lost by Mahomed Allum Khan were recaptured.

I also beg to mention that since Lieut. Elliot, the Political Agent, first joined me at Kooah-kina-Kood, I have found his information with regard to the country and the movements of the Rebels to have been most accurate, and his arrangements for the supplies and forage of the Troops most admirable.

In conclusion, where all have done their duty it would be invidious to name individuals; but from the circumstances of Guddo Khan's Ressallah not being a component part of the regular Force, I may be excused in bringing to the notice of the Major General the conspicuous gallantry of that Leader and his men: his loss has been most severe as you will see from the Return.

I have the honor to enclose an Extract of Detachment Orders on the occasion for the Major General's information.

I have, &c.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. A Deposit in a Promissory Note for 1,000 Rupees per Lot, or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at this Office by Sub-Treasurer's Receipt, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the Afternoon of Friday, the 12th February 1841, or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale under the last mentioned Condition, if remaining unredeemed on the said 12th February 1841, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7. No Tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed Deposit may not have been made before 4 o'clock of the 12th February, will be afterwards accepted.

8. The Opium now advertised for Sale, shall be paid for within One Calendar Month from the day of Sales and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit of 1,000 Rupees per Lot, or 200 Rupees per Chest, or any Public Security, that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit.

10. No Sub-Treasurer's Receipts or Deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 6d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

CIVIL FUND.

At a half yearly General Meeting of Subscribers to the Bengal Civil Fund held at the Town Hall, on Saturday, the 30th January, 1841, at 11 o'Clock A.M.

PRESENT.

Messrs. G. A. Bushby, T. R. Davidson, J. Lewis, C. Morley, H. Ricketts, H. Riddell, W. Roberts,

E. Sterling, R. H. Snell, C. Trower, H. V. Bayley, (Secretary.)

C. Trower, Esq. in the Chair.

The Accounts for the year 1840 closing with a Balance at the credit of Co's Rs. 13,88,851 14½ on the 31st December, 1840, were approved and passed.

The elected Managers of last year were re-elected, but in the room of Mr. J. P. Grant who is about to proceed to England, Mr. C. G. Mansell was put in nomination; and the following were elected Managers for the year 1841: Messrs. John Lewis, J. F. M. Reid, F. Millett, C. G. Mansell, J. H. Young.—those Ex Officio being Messrs. C. Morley, C. Trower, G. A. Bushby and W. H. Oakes.

[Here follow the particulars of the admission of two families on the Fund.]

The Managers' proposition was read submitting

under Rule XIII. to the Meeting for decision the case of a withdrawing Member, the circumstances connected with which have in detail been already laid before every Member of the Fund, as also the votes thereon, which have been received up to this day.

THE VOTES APPEARED

For the Proposition, that the wife of Mr. J. W. Sage, a seceding Subscriber, be permitted to retain a contingent claim on the Civil Fund by making in the place of the said Mr. Sage for her own and her daughter's eventual benefit the payment of subscriptions, which were payable by the aforesaid subscriber Mr. Sage,..... 174

AGAINST the above proposition,..... 8

The following Resolution was therefore put and carried by the meeting and ordered to be recorded, viz.

This meeting being of opinion that the sense of the Subscribers has been sufficiently expressed in favor of Mrs. Sage's admission as a subscriber in place of Mr. J. W. Sage, of the Civil Service, out of employ, accordingly *Resolve* to admit Mrs. Sage so to subscribe for her own and her daughter's eventual benefit;—though the meeting is of opinion that the question has been put to the Service without the formality required in Article XIII.

CARRIED.

Read and considered the proceedings of the Managers and the Statements thereto appended relative to the triennial adjustment necessary to be made under Article IV., Clauses 2 and 3, and Clause 4 (which a present stands as part 3d of Article 4, in the Committee's Pamphlet of 1836-7—see page 16) which requires in case of there being a deficit in the annual income that a cess for an extraordinary subscription shall be levied at a rate sufficient to meet that deficit, and the provision of a yearly surplus of Rs. 25,000. From these proceedings and statements it appeared that the annual income of the Fund as reckoned upon receipts of ordinary subscriptions from allowances, Interest of Capital, and the Hon'ble Court's Annual Donation, would amount to Rupees 2,46,016—while Disbursements as reckoned upon the accruing Annual Pensions of Incumbents as on 1st of January 1841, charges of Establishment in India, London Agent's Commission, &c., would amount to Rupees 2,76,400; the difference being a deficit of rupees 30,384. The Managers proceededings pointed out that although it appeared from the Accounts that on the 31st ultimo there was an actual excess of receipts over the charges of the year 1840 amounting to Rupees 46,510-8-9; still that excess was shown to arise from extraordinary receipts, as the extraordinary subscription realized from the half per centage in force since January 1838, realizations of short paid old subscriptions up to 1819-20, and of arrears of short remittances by Collectors in years immediately preceding 1840;—and the Managers were of opinion that this excess could not under the rule as not being annual income or subscription be made applicable to the purpose either of lessening the estimated deficit of 1841 or of providing the required surplus. In order therefore to meet that deficit, and also to provide for the requisite annual surplus of Rupees 25,000, the Managers proposed to levy a cess at the rate of 3th or 12 Annas per cent. to take effect from the 1st of January 1841.

Proposed by Mr. E. Sterling and seconded by Mr. E. H. Snell—

GENERAL DEPARTMENT.

NOTIFICATION.—It is hereby notified for general information, that as the sorting of the contents of the English Overland Mails, in the Bombay Post Office, occupies a great deal of time, and thereby considerably retards the delivery of the Letters, Newspapers, &c. and their despatch to stations in the interior, the Hon'ble the Governor in Council, has recommended, to the Hon'ble the Court of Directors, to make arrangements with the Post Office authorities in London, for separate packets being made up in the London Post Office for the several stations enumerated in the margin, which will greatly facilitate the despatch of the Letters from Bombay, or if such a complete sub-division cannot be made, the Hon'ble Court have been requested, to arrange for separate packets being made up, for the four different Presidencies of *Aggra, Bombay, Calcutta and Madras*, as well as for *Ceylon and China*, but to render this arrangement complete and fully effective, it will be necessary, that parties should request their correspondents in England, in addressing their Letters, to be particular in inserting the Station, or the most approximate one given in the list, to which the parties addressed in India belong, so that the Post Office authorities in London, may know, in which packet to put the Letters; a careful observance of this rule, will prevent mistakes, as well as delay and confusion in their delivery, in this Country. The Governor in Council would therefore recommend, that particular attention be paid, to this point calculated as it is, to prove of so much benefit, to the Public in general.

Sale when to be final.

XIX. And it is hereby enacted, that all sales of which the purchase money has been paid up as prescribed in Section XV. of this Act, and against which no appeal shall have been preferred, shall be final and conclusive at noon of the thirtieth day from the day of sale, reckoning the said day of sale, as the first of the said thirty days. And sales against which an appeal may have been preferred, and the appeal dismissed by the Commissioner, shall be final and conclusive from the date of such dismissal, if more than thirty days from the day of sale, or if less, then at noon of the thirtieth day as above provided.

XX. And it is hereby enacted, that immediately upon a sale becoming final and conclusive, the Collector or other Officer as aforesaid, shall give to the purchaser a Certificate of title in the following form:

I certify that A. B. has purchased at Public Auction under Act — of — Mehal C, and that his purchase has taken effect on and since the — day of — (being the date of sale.)

And the said certificate shall be deemed in any Court of Justice sufficient evidence of the title to the estate sold being vested in the person or persons named from the date specified; and the Collector shall also notify such transfer by written proclamation in his own Cutcherry, and in those of the Moonsiff and Darogah of the jurisdictions within which any part of the estate sold shall be situated, and shall apply the purchase money first to the liquidation of all arrears due upon the day of sale, or upon the day of the original sale, if the sale finally consummated be a resale, and secondly, to the liquidation of all outstanding demands debited to the Mehal in the Public accounts of the district, holding the residue, if any, in deposit on account of the late recorded proprietor or proprietors of the estate sold, to be paid to their receipt on demand in the manner following; to wit, in shares proportioned to their recorded interest in the estate sold, if such distinction of shares were recorded, or if not, then as an aggregate sum to the whole body of proprietors upon their joint receipt.

XXI. And it is hereby enacted, that any suit brought to oust the certified purchaser as aforesaid, on the ground that the purchase was made on behalf of another person, not the certified purchaser, though by agreement the name of the certified purchaser was used, shall be dismissed with costs.

Notice of annulment.

XXII. And it is hereby enacted, that the annulment of a sale by a Commissioner shall be publicly notified by the Collector or other Officer as aforesaid in the same manner as the becoming final and conclusive of sales is required to be notified by Section XX. of this Act, and the amount of deposit and balance of purchase money shall be forthwith returned to the purchaser, with interest thereon, at the rate of the current public securities, from the dates on which they were respectively paid in, to the date on which the refund is actually made.

Purchase liable for Mehsa Revenue.

XXIII. And it is hereby enacted, that the party certified as the proprietor of an estate by purchase at public sale for the recovery of arrears of Revenue shall be answerable for all instalments of the Revenue of Government which may fall due subsequently to the day of sale: provided, however, that in the case of re-sales the purchaser shall be answerable for all instalments of Revenue which fall due subsequently to the date fixed for the first sale.

Grounds and conditions of reversal by a Civil Court.

XXIV. And it is hereby enacted, that no sale for arrears of Revenue or other demands realizable in the same manner, made after the promulgation of this Act, shall be set aside by a Court of Justice except upon the ground of its having been made contrary to the provisions of this Act: And except the contravention thereto shall have been de-

clared and specified in an appeal made to the Commissioner, under Section XVII of this Act: And no person shall be entitled to contest the legitimacy of a sale after having received any portion of the purchase money: Provided, however, and it is hereby enacted, that nothing in this Act contained shall be construed to deprive any person considering himself wronged by any act or circumstance connected with a sale under this Act, from his remedy in a personal action for damages against the individual by whose act or omission he considers himself to have been wronged.

Proviso.

XXV. And it is hereby enacted, that in the event of a sale being reversed by a final decree of a Court of Justice, the purchase money shall be refunded to the purchaser by Government, together with interest at the rate of the current public securities.

XXVI. And it is hereby enacted, that the purchaser of an estate sold under this Act, for the recovery of arrears due on account of the same, in the permanently settled districts of Bopal, Behar, Orissa and Benares, shall acquire the estate free from all encumbrances which may have been imposed upon it after the time of settlement, and shall be entitled after notice given under Section X. Regulation V. 1812, to enhance at discretion, (any thing in the existing Regulations to the contrary notwithstanding) the rents of all under-tenures in the said estate, and to eject all tenants thereof, with the following exceptions:

First. Tenures which were held as Istemrree or Mocurreres at a fixed rent, more than 12 years before the permanent Settlement.

Secondly. Tenures existing at the time of the Decennial Settlement, which have not been, or may not be, proved to be liable to increase of assessment, on the grounds stated in Section 2, Regulation VIII. of 1793.

Thirdly. Lands held by Khoud Kasht or Kudeemes Ryots having rights of occupancy under the Regulations in force.

Fourthly. Lands held under bonâ fide leases, at fair rents, temporary or perpetual, for the erection of dwelling houses, or manufactories, and being so used, or for gardens, tanks, canals, clearing of jungle, or like purposes.

Fifthly. Farms granted in good faith at fair rents by a former proprietor, for terms not exceeding twenty years, under written and duly registered leases.

Under-tenures elsewhere.

XXVII. And it is hereby enacted, that the purchaser of an estate sold under this Act for the recovery of arrears due on account of the same in Districts other than those mentioned in Section XXVI. shall acquire the estate free from all encumbrances which may have been imposed upon it after the time of settlement, and shall be competent to avoid and annul all tenures which may have originated with the defaulter or his predecessors, being representatives or assignees of the original engager, as well as all agreements with ryots or the like settled or credited by the first engager or his representatives, subsequently to the last Settlement, as well as all tenures which the first engager may, under the conditions of his settlement, have been competent to set aside, alter, or renew, saving always and except bonâ fide leases of ground for the erection of dwelling houses, or buildings, or for offices thereunto belonging, or for gardens, tanks, canals, water courses, or the like purposes, which leases or engagements shall, so long as the land is duly appropriated to such purposes, and the stipulated rent paid, continue in force and effect. Provided that nothing in this Act contained shall be construed to entitle any purchaser of land at a public sale to demand a higher rate of rent from any persons whose tenure or agreement may be annulled as aforesaid than was demandable by the former Malgoonzar, except in cases in which such persons may have held their lands under engagements, stipulating for a lower rate of rent than would have been justly demandable for the land, in consequence of abatements having been granted by the former Malgoonzars from the old established rates by special favour, or for a consideration, or the like, or in cases in which it may be proved that according to the custom of the Pergunnah, Mouzah, or other local division such persons are liable to be called upon for any new assessment, or other demand not interdicted by the Regulations of Government.

Purchase by a defaulter, &c.

XXVIII. And it is hereby enacted, that excepting copartners of estates under Butwarrah who may have saved their shares from sale under Sections 33 and 34, Regulation XIX. 1814, any recorded or unrecorded proprietor or copartner who may

such publication may have been made; and also at the Cutcherry of the Malgozar of the estate, or at some conspicuous place upon the estate, the name to be certified by the peon or other person employed for the purpose. And it shall be declared in the said notification that no payment or tender of payment of the arrear or demand due, which may be made after the hour of noon of the day preceding the fixed day of sale, will bar or interfere with the sale either at or after the transaction.

First—Arrears due from or to be recovered by the sale of estates not permanently settled.

Secondly—Arrears other than those of the current or the preceding year.

Thirdly—Arrears of Revenue due on account of estates other than that to be sold.

Fourthly—Arrears to be recovered by re-sales consequent upon default of purchasers as provided in Section XV. of this Act.

Fifthly—Arrears due on account of Tareavy, Poolbundee, or other demands not being Land Revenue, but recoverable by the same process as arrears of Land Revenue.

Payments by non-proprietors. IX. And it is hereby enacted, that Collectors shall, at any time before the hour of noon of the day preceding the fixed day of sale receive as a deposit from any party not being a proprietor of the estate in arrear, the amount of the arrear of Revenue due from it, to be carried to the credit of the said estate at noon as aforesaid, unless before that time the arrear shall have been liquidated by a proprietor of the estate. And in case the party so depositing, whose money shall have been credited to the estate in the manner aforesaid, shall be a plaintiff in a suit pending before a Court of Justice for the possession of the same or any part thereof, it shall be competent to the Judge of the Zillah in which such estate is situated, to order the said party to be put into temporary possession of the said estate, subject to the rules in force for taking security in the cases of appellants and defendants. And if the party depositing whose money shall have been credited as aforesaid shall prove before a competent Civil Court that the deposit was made in order to protect an interest of the said party, which would have been endangered, or damaged by the sale of the estate, he shall be entitled to recover the amount of the deposit with interest, from the proprietors of the said estate.

X And it is hereby enacted, that no estate shall be liable to sale for the recovery of arrears which have accrued during the period of its being under the management of the Court of Wards; and no estate,

Ward's Estates and Minor's. the sole property of a minor or minors, and descended to him or them by the regular course of inheritance duly notified to the Collector for the information of the Court of Wards, but of which the Court of Wards has not assumed the management under Regulation VI. 1822, shall be sold for arrears of Revenue accruing subsequently to his or their succession to the same, until the minor or minors, or one of them, shall have attained the full age of 18 years. And no estate held under attachment by the Revenue Authorities, otherwise than

Attached by a Revenue Officer. by order of a Judicial Authority, shall be liable to sale for arrears accruing whilst it was so held under attachment. And no estate held

Attached by a Court. under attachment by a Revenue Officer, in pursuance of an order of a Judicial Authority, shall be liable to sale for the recovery of arrears of Revenue accruing during the period of such attachment, until after the end of the year in which such arrears accrued.

Exemption from sale. XI. And it is hereby enacted, that it shall be competent to the Collector at any time before the sale shall have taken place to exempt any estate from sale; and in like manner it shall be competent to the Commissioner of Revenue at any time before the sale shall have taken place, to exempt any estate from sale, and to direct the receipt of arrears due upon it by a special order to the Collector to that effect in each case; and no sale of an estate shall be legal if held after the receipt of an order of exemption in respect to such estate. Provided, however, and it is hereby enacted, that an order for exemption

Proviso. so issued, shall not affect the legality of a sale which may have taken place before the receipt by the Collector of the order for exempting it from sale.

Adjournment.

XII. And it is hereby enacted, that in case the Collector, Deputy Collector, or other Officer as aforesaid, shall be unable from sickness, from the occurrence of a holiday, or from any other cause to commence the sale on the day of sale fixed as aforesaid, or if, having commenced it, he be unable, from the like cause, to proceed with it, he shall be competent to adjourn it to the next day following, not being Sunday or other close holiday, recording his reasons for such adjournment, forwarding a copy of such record to the Commissioner of Revenue, and announcing the adjournment by a written proclamation stuck up in his Cutcherry; and so on, from day to day, until he shall be able to commence upon, or to proceed with, the sale, but with the exception of adjournments so made, recorded, and reported, each sale shall invariably be made on the day of sale fixed in the manner aforesaid.

Order of sale.

XIII. And it is hereby enacted, that on the day of sale fixed according to Section III. of this Act, sales shall proceed in regular order; the estate to be sold bearing the lowest number on the Towjee or rent roll of the District being put up first, and so on, in regular sequence; and it shall not be lawful for the Collector or other Officer as aforesaid to put up any estate out of its regular order by number.

Deposit on purchase.

XIV. And it is hereby enacted, that the party who shall be declared the purchaser of an estate at any such public sale as aforesaid, shall be required to deposit immediately, either in Cash, Bank of Bengal Notes or Post Bills, or Government Securities duly indorsed, 25 per cent, on the amount of his bid, and in default of such deposit, the estate shall, forthwith, be put up again and sold.

Balance of purchase money.

XV. And it is hereby enacted, that the full amount of purchase money shall be made good by the purchaser before noon of the thirtieth day from that on which the sale of the estate bought by him took place, reckoning that day as one of the thirty; or if the thirtieth day be a Sunday or other close holiday, then on the first office day after the thirtieth; and in default of payment within the prescribed period as aforesaid, then and afterwards as often as such default shall occur, the deposit shall be forfeited and credited to the estate in payment of so much of the balance due from it at the time of sale; and if thereafter any part of the balance for which the sale was made remain due, the estate shall be resold, and the defaulting purchaser shall forfeit all claim to the estate, or to any part of the sum for which it may subsequently be sold, and in the event of the proceeds of the sale which may be eventually consummated being less than the price bid by the defaulting bidder aforesaid, the difference shall be leviable from him by any process authorized for realizing an arrear of public Revenue, and it shall be so levied and credited to the defaulting proprietor of the estate sold.

Rents stopped after notice for sale.

XVI. And it is hereby enacted, that whenever an estate shall have been sold as aforesaid, the Collector, Deputy Collector, or other Officer as aforesaid, shall affix a proclamation in the language of the District in his Cutcherry; and as soon thereafter as may be in the Cutcheries of the Moonsiffs and of the Darogahs of Police, within whose jurisdiction or jurisdictions any part of such estate may be situated; and also at the Cutcherry of the Malgozar of such estate; or on some conspicuous place on such estate, forbidding the ryots and under-tenants of such estate to pay rent falling due subsequent to the date therein specified and up to the date of the subsequent notice hereinafter prescribed by Section XX. of this Act, on pain of not being entitled to credit in their accounts with the purchaser for any sums paid within the period aforesaid.

Appeal.

XVII. And it is hereby enacted, that it shall be lawful for the Commissioner of Revenue to receive an appeal against any sale made under this Act if preferred to him on or before the fifteenth day from the date of sale, reckoning as in Section XV., or if preferred to the Collector for transmission to the Commissioner on or before the tenth day from the day of sale, and not otherwise; and the Commissioner shall be competent in every case of appeal so preferred, to annul any sale of an estate made under this Act, which shall appear to him not to have been conducted according to the provisions of this Act; and the order of the Commissioner annulling a sale or dismissing an appeal shall be final unless set aside by a competent Court of Justice in a regular suit brought for that purpose.
